

**Open Work Session**

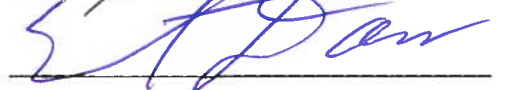

**Letter of Support for House Bill 19 to Remove Single-Family Dwellings from the Mandated Requirements for Automatic Sprinkler Systems**

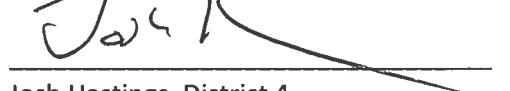

**July 16, 2019**

Mr. Cannon said he thinks Council has had the opportunity to see the letter, and they have been involved with this debate for a few years now. He then asked if Council is okay with putting out a letter of support, to which Mr. McCain responded, yes. The other Councilmembers said they are okay with the letter. Mr. Hastings said he would like to see information from any of the local firefighters about their opinions. Mr. Cannon said they will get that letter sent out this afternoon. There was no further discussion.
