

Open Work Session

Letters of Support:

- **The Municipal Bond Market Support Act of 2019**
- **Support for St. James A.M.E. Zion Church – Zion House to Receive Grant Funding from the Opioid Workforce Innovation Fund**

September 3, 2019

Mr. Cannon said there are two letters of support, and he is assuming Council has read the letters. He said they are just simply trying to get a consensus as to whether or not Council approves sending out these letters of support.

Mr. Cannon asked if everyone was in agreement to sending the letter regarding the Municipal Bond Market, to which there was a consensus.

Mr. Cannon said the second letter is in support of the St. James A.M.E. Zion Church for a grant. He then asked if everyone is in agreement, to which there was agreement.

There was no further discussion.
