

Open Work Session
Appointments to Boards and Commissions
March 3, 2020

Mr. Dodd said Council invited the County Executive to attend this Work Session, but they said no one from the Executive's Office would attend. He said he thinks Council needs to have a quick discussion. He then asked Mr. Taylor to go over who does the appointments by Charter, to which Mr. Taylor responded, under the Charter, the County Executive is charged with the duty to appoint Department Heads and Deputy Department Heads, and Council does confirmation. He said, in the case of Deputy Directors, it is just one-time, and then it continues on, and they do not have to be reappointed and reconfirmed after every election of the County Executive. He said that is just clockwork, essentially, under the Charter, but of course the clock has stopped and is not running as of this past election in November 2018.

Mr. Holloway said the previous discussion with not getting a permit at the Airport really amazes him that this just keeps going on. There was no further discussion.
