

Open Work Session
Letter of Support for SHORE UP!
July 21, 2020

Mr. Hastings explained, he serves on the Board at SHORE UP!, and they reached out late last week after Council had already posted the Agenda, but wanted to see if Council could support them for a grant from the Rural Maryland Council for \$50,000. He said this is going to go towards replacing one of their meal trucks. He said they currently have a meal truck, but it is aging, and this goes out to the elderly population, and others.

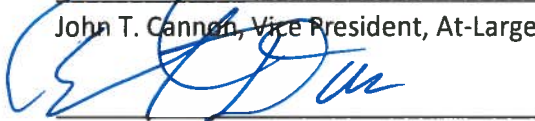

Mr. Dodd asked if everyone is good with the letter, to which there was consensus. There was no further discussion.
