

**Open Work Session
Concession Agreement with Sentinel Robotic Solutions, LLC
December 15, 2020**

Mr. Chris Davidson, Assistant Airport Manager, came before Council. He said the Resolution in front of Council today is an agreement that the Council made with Sentinel Robotics Systems (SRS) in May 2019. He explained, they have had some construction delays on the proposed building they were going to occupy, and they would like to honor the agreement made in 2019 with the current date starting in January 2021. He said SRS is on board, Management at the Airport is on board, and they would like to have Council's consent to extend and change the dates.

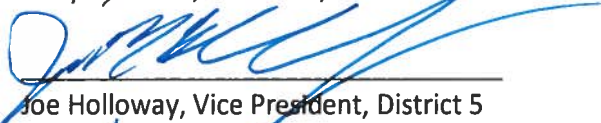

Mr. Dodd asked if they have to set up a Public Hearing, to which Mrs. Hurley responded, it does require a Public Hearing, and they can have that on January 19, 2021 at 10:00 a.m.

Mr. McCain asked, out of curiosity, why does that require a Public Hearing, to which Mrs. Hurley responded, it is considered a lease agreement, and they have to be advertised for three weeks. Mr. McCain asked if that is the case even when it is a modification, to which Mrs. Hurley responded, yes, any amendments as well.

There was no further discussion.

Larry W. Dodd, President, District 3

Joe Holloway, Vice President, District 5

John T. Cannon, At-Large

William R. McCain, At-Large

Ernest F. Davis, District 1

Nicole Acle, District 2

Josh Hastings, District 4

Laura Hurley, Council Administrator
