

**Open Work Session**

**Discussion on Draft Letter to Public Service Commission Regarding Case No. 9681, Delmarva Power & Light Company's Application for an Electric Multi-Year Rate Plan  
October 4, 2022**

Mr. Cannon said Delmarva Power and Light (DP&L) has applied for an increase in their rates. He then asked if everyone has had a chance to read the letter. Mr. Holloway asked if someone could read the letter out loud. Mr. McCain volunteered to read the letter.

Mr. Cannon asked for a consensus to send the letter, to which there was a consensus.

Mr. Holloway said he is in favor of sending the letter, but the middle paragraph, for the Councilmembers who are coming back to the Council, he thinks they need to remember that the next time they see someone come to them wanting fee increases or tax increases because it works both ways, not just for Delmarva Power, but for Wicomico County too.

Mr. Cannon said they will send this letter out.

There was no further discussion.
