1.0 – QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the Proposal Documents.

Item	Questions and Answers
1.1	Q. RFP page 5, Section I., subsection H.1. The vendor must pay \$40 for a copy Certificate of Status. For the purposes of this RFP response, will the County accept a screen shot of the vendor's good standing? A. Yes
1.2	Q. RFP pages 11-15, Section III. The conditions in this section seem oriented to construction, rather than software. Is the County open to negotiations with the vendor to determine which of these conditions are applicable to the required services? A. General boilerplate language, does not pertain to software bid.
1.3	Q. RFP page 14, Section III, subsection N. The requirement of performance and payment bonds is not common in the software industry. General boilerplate language, does not pertain to software bid.
1.4	Q. RFP page 16, Section IV., subsection A.1. Who will be using the vendor's software to assist tenants and approve applications? Will it be County staff or third-party staff? A. County staff
