**FOR IMMEDIATE RELEASE - JUNE 7, 2019**

### **Meals on Wheels Funding**

I visited the MAC Center yesterday and made a plea for help in our community for Meals on Wheels. I believe the strength of a community is determined by the way it takes care of its youth and elderly. MAC recently received notification that their nutritional state funding is being reduced by \$113,000. The loss in funds amounts to an approximate reduction of 15,000 meals for the Meals on Wheels program.

I have made a request to the County Council to approve funds from the County's Contingency Account.

I am pleading for our citizens to please help supplement this loss by donating to MAC. Donations cans have been distributed in and around businesses in the County. A \$7.50 donation will feed a person for a day. Your donations will be greatly appreciated!
