1.0 – QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the Bid Documents.

Item	Questions and Answers
1.1	<p>Q. The list of items on the page titled: "SPECIAL PROVISIONS" consists of several items that are typically not eligible for AIP funding. Please clarify if option pricing for each item is required to be supplied or if these are the items that are listed on the bid form as the "Cost Allowance of Additional Features".</p> <p>A. "The Special Provision items are NOT tied to the Cost Allowance. The bidder is to include all Special Provision Items within the lump sum bid for "One Class 4 Aircraft Freighting Vehicle". As there are no AIP funds anticipated for this purchase the need to separate our AIP and Non-AIP element is not necessary. The Cost Allowance line item is strictly included for County budgetary reasons.</p>
