*Councilman Joe Holloway had to regretfully remove his name today as a candidate for Wicomico County Executive. At his request, legal research was done to determine whether the Council could vote for Mr. Holloway as a sitting councilmember for this position. The County Attorney and Council Attorney researched this matter and, according to Maryland case law and an Attorney General's opinion, it was determined that his fellow council members would not be able to vote for him to be County Executive. Councilman Holloway thanks everyone for their support in this matter and looks forward to working with a new County Executive.
