Attach additional 8 1/2" x 11" paper if necessary.

The West Metro Core Park property was purchased using POS funding in 2009. The vision for this property is as a Community Park with multiple sports fields and a variety of amenities. The West Metro Core area of Wicomico County is currently underserved and in need of park facilities to support the County's Public Recreation Program and Tourism initiatives in sports marketing.

The project's scope of work entails retaining a civil engineer to prepare a topographical survey, design facilities, storm water management and erosion control, delineate wetlands, prepare forest conservation and traffic control plans, undertake perk tests, secure necessary permits, and prepare an estimate to develop this 100 acre parcel.
