

Open Work Session

**Lease Amendment No. 6 – Salisbury-Ocean City: Wicomico County Airport, Airport Terminal Building
October 17, 2017**

Mrs. Dawn Veatch, Airport Manager, said the lease is for TSA. She said it is a routine annual lease that is with the U.S. Federal Government. She said the lease is for two items. One is their office space, and the other is for their holding area inside the secure area where TSA clears everybody to go prior to departure. Mrs. Laura Hurley, Council Administrator, said this does require a public hearing, and they could have that at the second meeting in November, which is November 21, 2017. Mrs. Veatch said the lease expires Friday. Mr. Cannon said when Mrs. Veatch says the lease expires Friday, there is nothing Council can do about it. He said this is the timeframe they have to work with. Mr. Dodd asked why it was not presented to Council prior to this. Mrs. Veatch said it was presented, and she got tied up with some other things that were going on at the airport, so it got delayed. There was no further discussion.
