

Open Work Session

Letter of Support – House Bill 795/Senate Bill 715

March 2, 2021

Mrs. Hurley said this is a letter of support for an amendment to House Bill 795, which has been cross filed in the Senate as well. She said, if Council remembers, they wrote a letter of support for the sale of alcoholic beverages on Sundays, and it is her understanding that the Bill was late in getting drafted, so the recommendation has been to add that change to the alcohol laws to the golf course license Bill that Council also wrote a letter of support for.

Mr. Dodd said this is going to be added on as an amendment. He then asked if everyone agrees to this, as they agreed to the original Bill. Mr. Holloway and Mr. Davis were in favor of sending the letter. Mr. McCain said he is a lukewarm yes. He clarified, this just came to Council, and it looks fine on the surface, but he just has not had a chance to digest it.

Mrs. Acle asked if they can get a copy of the Bill as it is written? She clarified, she is fine with it, she would just like to see it, to which Mr. Dodd responded, it is on the Council table.

Mr. Cannon and Mr. Hastings were in favor of sending the letter.

There was no further discussion.
