

Homeowners are permitted to do their own electrical work for the dwelling they reside in. Otherwise, only Licensed Electricians may do electrical wiring in Wicomico County. Our office issues Electrical Permits, Electrical Licenses and maintains all records for the Board of Electrical Examiners.

Permit Fee - \$25.00

Note: Permits expire one (1) year after date of issuance.

All electrical work performed in Wicomico County must be inspected and approved by a third party inspection agency, selected by you at the time the permit is obtained. The inspection fees are not included in the \$25.00 permit fee. Each inspection agency has their own fees based on the types of inspections.

These four listed inspection agencies are approved by the Board:

American Inspection Agency
