

## WICOMICO COUNTY COUNCIL

### PRESS RELEASE

March 16, 2020

For Immediate Release:

### WICOMICO COUNTY COUNCIL ENCOURAGES CITIZENS TO WATCH COUNCIL MEETINGS REMOTELY

Due to concerns about the coronavirus, the County Council is encouraging citizens to watch the Council Meetings remotely. The meetings can be viewed live on PAC14 or you can watch replays of the meetings on YouTube and on the County's website.

The Council will accept public comments by email, so you don't have to attend a meeting and speak at the podium. You can email your comments to our Council Administrator, Laura Hurley, at [lhurley@wicomocounty.org](mailto:lhurley@wicomocounty.org) or mail them to the Council Office at P.O. Box 870, Salisbury, MD 21803. All public comments received one hour prior to the meeting, will be read into the record at the meeting. Public comments must include your name and county of residence.

The Council will still be meeting on the First and Third Tuesday of each month and the public may still attend the meetings in person, but we are encouraging people to stay home until the current public health concern has passed. The next meeting is currently schedule for March 17, starting at 10 a.m.
