Wicomico County Partnership for Family and Children Drive-By Drop Off Food Drive May 18 and May 20

We have planned another food drive event. It is a Drive by and Drop off food curbside on Monday May 18 and Wednesday May 20 at 10:00a.m. to 11:00 a.m. at the front door of the Government Office Building. Our staff will be available to unload your donations.

Our last drive generated 134 pounds of food in a little over an hour. Please help us reach our goal of 300 pounds in 2 hours. Canned and box items go to MD Food Bank who replenishes our local food pantries!
