

Information on Requesting a Mail-In Ballot for the November 2020 General election:

In accordance with Governor Hogan's order, all registered voters in Maryland will be sent a mail-in ballot application. Once a voter fills it out, signs it and sends it in, that gives us permission to send out their official ballot.

Voters will have the option to either mail-in their ballot or to use one of our drop boxes, if they would prefer not to use the postal system. Ballots must be dropped-off by the close of the polls on Tuesday, November 3rd.

We have been informed by the State Board of Elections staff that these applications should be sent out by the end of August.

If you have already requested an application for a mail-in ballot, please DO NOT send in 2 applications.
